Dear Whanau, Families and Friends

We have a fabulous new school hall – a fantastic facility for our students, whanau and school community to enjoy. We have saved and fund-raised over a number of years to get this Board of Trustees/School project underway and I'm pleased to say that it is almost complete.

We are now looking at doing some serious fund-raising for the extras that we need to complete our hall to make it performance-ready. These extras include lighting, curtains, data projector and screen, sound system, kitchen whiteware, signage – about another \$80K-\$100k worth of work.

Our fund-raising project will be in the form of a **'Whanau, Families & Friends Honours Board'** which will have the names of all those who donate \$50-\$100+ towards the project. Friends of the school will include all current and former students, staff, parents, business associates, as well as community leaders and members. The histories of our two Intermediates go back to 1970 and since then, hundreds of students have passed through the two schools, and the new Wainuiomata Intermediate School from 2002. It would be wonderful if they all got behind this project, together with all others associated with our school and community.

The names of all donors will be displayed on our Honours Board to show that you or your whanau or your business has contributed towards improving the facilities here for current and future generations of learners at Wainuiomata Intermediate.

Please read the attached donation form and make your contribution today.

Thank you

Yours sincerely
