1 February 2017

Dear Parents and Guardians

## CAMP/EOTC 3-7 APRIL 2017 LETTER 1 - PERMISSION REQUEST & EXPRESSION OF INTEREST

As explained in our February Newsletter, this is camp/EOTC year and we are seeking your written permission for your child to participate in one of the three options below and the option you want your child to participate in.

Education Outside The Classroom (EOTC) is the name given to all events/activities that occur outside the classroom, both on and off the school site. This includes sport.

Our school believes in using a range of environments and experiences to enhance our students' learning experiences.

We have ready access to the beach, rivers, mountains, and the bush in Wainuiomata and beyond. We are also close to various man-built environments in our community. These areas are rich learning environments for our students both in and out of school. Our school also values the concept of providing students with opportunities. Thus some of the learning for students occurs beyond the school site and this document is seeking your consent for your child/ren to participate in such learning.

Not all parents can afford the expense of full camps and in past years we have struggled to fill the number of places we had booked. Thus, we want to give students EOTC experiences without the associated costs of a full camp. Below are the 3 options we are giving students and parents this year.

This initial expression of interest will help us to plan further details for the 3 options and book venues.
